Getting Started in Web Advisor

Accessing Web Advisor:
1. Begin at the College’s home page at www.schoolcraft.edu, select Web Advisor in the upper right corner.
2. Or you can enter the to go directly to Web Advisor: https://webadvisor.schoolcraft.edu

Logging into Web Advisor
To get started, click the Login tab at the top of your screen.

Enter your User ID
User ID is the lowercase first initial of your first name followed by your 7-digit Schoolcraft ID number including all leading zeroes for ID numbers less than 7 digits.

Enter your Password
The default password is your 6-digit birthdate (mmddyy) and is only valid the first time you log in. You must create a new password that is 6-9 characters in length and must contain both letters and numbers. The first time you log into Web Advisor: Enter your Old Password (your 6-digit birthdate), press enter. Enter a New Password (must be 6 to 9 characters in length and include both numbers and letters), press enter. Re-enter your new password in the Confirm Password line, press enter. Enter a Hint that will help you to remember your password should you forget it. Click the Submit Button. Note: Your password will expire in 1 year.

If you forgot your User ID or Password
If you do not know your Schoolcraft ID number or have forgotten your password, this information may be obtained by clicking on the “What’s My User ID?” or “What’s My Password?” link at the top of your screen. Or contact Help & Blackboard Support, ext. 4615

Faculty Menu in Web Advisor

Faculty Menu

After logging in, click the Faculty Button on left side of screen. The Faculty menu will appear. This is where you can access all information available to faculty. Note: there is a 10-minute time out, where you will be disconnected.

1. Class Roster
   Web Advisor updates when new students enroll, you should verify just before class starts and during the semester to verify students have not dropped/or were dropped from your class.

2. Grading (NS, Incompletes and Final Grades)
   - No-Show - A “NS” grade is given at the “end of week three” for on-campus, hybrid classes, for students who have not attended class.
   - Incomplete - This is given at the end of the semester when a student has not completed a class, a date must be given for when the student will complete the course by.
   - Zero (0) – This is a final grade, when given this grade you “Must” enter the “date for when the student last attended”.

After Submitted Grade: A Change of Grade form must be submitted to appropriate Dean, see Forms for College Credit Instructors (Faculty Menu)

3. Important Dates
   This is where you will find important dates like when NS grades and end of semester grades are due.

4. Common Syllabus
   Here you can look up the Common Syllabus for your class, remember you should check this at the beginning of every semester.

5. My Personalized Syllabus-
   What can be changed

6. My Stipends

7. Email PT/FT (www.schoolcraft.edu/exchange)
   Accessing Email using your network login, on campus or off campus. Your Network Login will be mailed to your house. This password will expire after 180 days; you will then use mypassword.Schoolcraft.edu to change it.

8. Voice Mail- PT/FT faculty
   Both Full-Time and Part-Time Faculty have voice mail, PT/FT. See the complete directions here in Web Advisor.

**Always remember to logout when done using Web Advisor**

-See Grading Help-At A Glance for more details-

To get started, click the Log In tab at the top of your screen.

Enter your User ID, press tab and then type in your Password. Click Submit.

Click the Faculty button on left side of screen.

You are now in the Faculty Menu where you can access all information available to faculty.

Click on the Class Roster link under Faculty Information.

A listing of the classes you are teaching should display. Click on your course under the Name/Title column to display your roster. Select the [click here to print this page](#) link at the top of the page to print your roster.

Other options available are to select the Show Dropped/Withdrawn Students and Show Waitlisted Students, check those boxes and select Submit to view the results.

The printer dialog box will appear listing your default printer. Click Print.

If you wish to display previous courses you can use the term /date range, look up feature. **Note:** Date ranges do not have to be exact, see note at bottom of screen.

To return to the Faculty Menu to print additional Class Rosters, click the Select a different course section link at the top of the page.

**If you are finished using Web Advisor, click on the “Log Out” tab to close your session.**

To end your Web Advisor session, you now need to close your browser by clicking the OK Button.
Overview
Verified grades cannot be processed until all grades for a section are submitted. By submitting grades on time, students do not miss the admission deadlines of senior institutions.

Grade - No Show (NS):
Grades are submitted twice during the semester, once at the end of the class’s third week, and at the end of the semester. At the end of the third week Instructors “Must” post No Show Grades for students who have not attended class, see criteria below.

*NS grades are NOT submitted at the end of week 3 for OE/OE students and MCO Online students.

Posting NS, Incomplete and Final Grade (Including zeros)
To Post your Final Grades, you will first click on Web Advisor, then Faculty Menu. From the Faculty Menu click on Grading, this will take you to Self Service Grading.

On the Faculty Overview page select the section you want to grade. Click on the Grading tab, then click on Final Grade tab. This will show all the students in your class.

To give the student a grade, click on the drop down arrow next to Select Grade and click on the final grade for the student. Click on Post in the upper right corner to post your grades. Repeat this process until all sections are graded.

NS grades: Remember these are done after the third week of your class, see Important dates for this date. Select NS from the drop down menu for the student and select NS. Click on the Post Grade in the upper right corner.

Incomplete: For a student you are giving an Incomplete to, select the “I” on the drop down arrow for Incomplete. Enter an Expiration Date”, a date for when the Incomplete will become a grade.
Final Grade: Click on the arrow next to the Select grade in the box and select the student’s grade. Go on to the next student.

![Image of grade selection interface]

Final Grade – Zero: When selecting a zero grade for a student’s final grade you “Must” enter a “Last Date of Attendance” for the student. This is a required field when submitting a zero for a final grade.

![Image of grade selection interface with zero grade selected]

Audit: Students that show as AUD are Auditing your class and there is no need to give them a grade for your class.

![Image of audit student]

Post Grades: After you have finished entering the grades including you will click on the “Post Grades” button in the upper right to officially post the student’s grades. You have not completed the process of posting the student’s grades until you have clicked this button.

![Image of grade posting interface]

How Students Access Your Voicemail To Leave You A Message:
Give your students the main number for the Part-Time Faculty Voicemail: (734) 462-3330 and your 4-digit extension.

The system is a voice-activated system; students will be asked the question “*Who do you want to reach?*”
The student will say your name or say your 4-digit extension number.

The system will play your greeting and the student will be prompted to leave a message.
Note: When a student leaves you a message, you will have a message in your voicemail and it will send a copy of the message to your Schoolcraft email.

Retrieving Your Student’s Voice Messages:
When a student leaves a message in your voicemail, you will receive an email in your Schoolcraft email; you will be able to retrieve that message from your email’s Inbox. (See Checking Messages via email)

Or you can call into your voicemail to pick up the message (See Accessing Your Voicemail Mailbox)

Checking Messages via Email
To check messages via email log into your Schoolcraft email, www.schoolcraft.edu/exchange, using your Network login.

In your Inbox you should see a message from “Cisco Unity Connection Messaging System”; the subject line should say “Message from” and include the caller’s name, if available, and phone number.

Click on the attached VoiceMessage.wav file to play the audio file.
Note: you must have speakers and/or headphones to hear the message.

Accessing Your Voicemail Mailbox
To access your voicemail mailbox, call (734) 462-4800, when it asks “Enter your ID followed by #”, you will enter your 4-digit phone ext. followed by the # key (your ID is your 4-digit phone extension). You will then hear “Enter your pin followed by #”, enter your pin/ (password) followed by the # key. If this is your first time logging into your voicemail see (See First-Time Setup) below.

First-Time Setup:
Access your voicemail mailbox by calling (734) 462-4800.
When it asks “Enter your ID followed by #”, enter your ID (your 4-digit phone extension) followed by the # key
Enter the default pin/password 1325, followed by the # key
Follow the prompts to record your name, personalize your greeting, and change your pin/ (password)

IMPORTANT: You should change your pin/ (password) so no one else can access your mailbox

Podium Computers - Booting the Podium

**Turn on the computer and wait through the boot screens**

**Click on Login**
If the user before you has logged off the machine, you will see a computer monitor icon on the desktop.

**Double Click on the computer icon**
(note: the room number on the icon should match the room number you are in.)

**Access your “K” drive**
Double Click on the icon titled “Map-K” located on the desktop.

After double clicking on the “Map-K” icon a window will open. You will be asked if you want to map to your K Drive, type y. You will now have to enter your Network Login credentials (same as your email login) in order to access your drive.

**Save work often**
Save to an external USB Device. Advise your students to do the same.

**To power off the computer or reboot**
**Press and hold** the power button on the physical computer until computer shuts off. (Approximately 30 seconds)

If you are experiencing any computer issues, power off the computer, **WAIT** 30 seconds before restarting the computer.

If *rebooting does not* solve the issue, contact:

*Information Technology* 734-462-4510 or 4510 from any campus computer.
When you turn on the computer, you will see the following 4 boot screens.

When the boot screens have loaded next is the computer use policy and the login screen.

Enter in your Network Login (same as you use to access your email from home).

Once you have entered in your login information you will see a splash screen with your information.

When you log off the machine, you will see a computer monitor icon on the desktop.

**Double Click on the computer icon** to log back in.
Using a CD/DVD* on a Virtual Desktop

1) Insert Disk
2) Wait for it to load
3) Open “Windows Explorer” by Clicking on Icon located on the Taskbar

4) Once Windows Explorer opens you will see your disk in the list of “Devices and Drives”.
5) Double Click to access the CD or DVD you have inserted.

To power off the computer or reboot, press and hold the power button on the physical computer until computer shuts off. (Approximately 30 seconds)

*CD/DVDs will operate on Virtual Desktop Podiums and Instructor Offices.
