

ENGLISH AS A SECOND LANGUAGE

Major Description

At Schoolcraft we believe that everyone should have the opportunity to pursue their educational goals. For many individuals, building a strong foundation in the English language is the first step.

In our English as a Second Language courses, you will develop strong communication, speaking, listening, reading and writing skills in the English language.

All of the English as a Second Language courses require a placement test prior to registration. Successfully passing the ESL Accuplacer Exam is required to exit the ESL program.

This program does not result in a credential, but rather prepares students to be college-ready and to build academic success. Schoolcraft's ESL program is a SEVP recognized and approved English Language Learning/Bridge Program for F-1 students.

English as a Second Language (ESL) Program

Schoolcraft program code: Aligned with the student's major program of study

The courses in the English as a Second Language (ESL) program prepare students for study in American college settings and also teach the international student about American culture and the English language for daily living and communication with native speakers. The instruction includes:

- English and vocabulary development
- Academic writing activities: forms, letters, compositions, summaries, essay exams, and research papers
- Speaking activities: discussions, oral reports, and formal speeches
- Listening skills: lectures, video and audio tapes
- Reading and grammar for college level academic purposes
- Test preparation and note taking skills
- Computer-assisted instruction

Instruction is highly individualized to meet individual learner goals. Classes incorporate learning in the language labs, using computer-assisted instruction and other interactive instructional materials. Instructors work with students individually and in small groups to maximize the rate of student progress. In advanced levels of the program, students will complement the ESL courses with appropriate academic college coursework.

The English as a Second Language program consists of five levels, each focused on the following three content areas:

- Grammar and Writing
- Reading and Vocabulary
- Speaking and Listening

Students are initially placed into the appropriate level, based on their ESL Accuplacer Exam scores. Therefore, not all classes may be required.

In addition to the required coursework within the program, students may choose to take an elective course to enhance and extend their learning of the English language. Students interested in selecting an elective course will be expected to meet all pre-requisites.

SAMPLE SCHEDULE OF COURSES

First Year—Fall Semester

ESL 060	Reading & Vocabulary 1	4
ESL 064	Listening & Speaking 1	4
ESL 067	Grammar & Writing 1	4
	Total Credits	12

NOTE: Courses must be at a 100-level or higher to be used toward completion of any academic credential or program.

Students are required to have a final course grade of 70% (2.0) in order to successfully complete each course and advance to the next level. Students will take the ESL Accuplacer Exam at the conclusion of Levels 2, 3, and 4, in order to assist in appropriate placement and completion of the ESL program.

It is the policy of Schoolcraft college that no person shall, on the basis of race, religion, color, gender, age, marital status, disability, sexual orientation, and/or national origin, be subjected to discrimination during or be excluded from participating in or be denied the benefits of any program or activity or in employment.

English as a Second Language (ESL) Program (continued)

Students seeking additional information regarding the program may contact the international student academic advisor at 734-462-4400, press #1, and then extension 5203. F-1 students seeking additional information regarding the program may contact the International Student Coordinator at SCISQ@SCHOOLCRAFT.EDU.

Not all courses are offered each semester. Students should work with an academic advisor or counselor to develop a schedule that will work for them.

Students planning to transfer should check the transfer institution's requirements/guides or discuss their options with an academic advisor or counselor. Number of credits may vary depending on the course selection.
