

## HOMELAND SECURITY

### Credentials

Homeland Security AAS Degree	60-64 cr.
------------------------------	-----------

### Major Description

Homeland security personnel help secure U.S. borders, airports, seaports and waterways. They also research and develop the latest security technologies, respond to natural disasters or terrorist assaults and analyze intelligence reports to help protect the homeland from threats.

Schoolcraft's homeland security associate in applied science degree provides students the educational foundation of private and homeland security knowledge to prepare for transfer to a four-year institution with classes in criminal justice, communications and emergency management.

### Homeland Security AAS Degree

Schoolcraft program code # AAS.00252

Since September 11, 2001, the security industry has expanded rapidly. The United States Department of Homeland Security employs more than 180,000 individuals. Coupled with that, the private security industry employs nearly 1.5 million security personnel. The homeland security degree program is focused on providing students with a foundation of private and homeland security knowledge to build upon as a transfer to a specialty degree. The objectives of the homeland security associate degree program are to upgrade personnel employed in the security industry and to prepare students for full-time employment in this field.

Students who satisfactorily complete all college and program requirements qualify for an associate in applied science degree.
