---------------------------	--------

Major Description

Schoolcraft's theatre program balances live stage experience with liberal arts classes that may count toward an associate in arts degree and transfer toward a bachelor's degree at a four-year institution. Whether you want to be on stage or behind the scenes, the program provides students with a solid theatrical background, including:

- Acting
- Stagecraft
- Lighting
- Stage Makeup
- Theatre History

Students can gain additional experience by taking part in the two on-campus theatre productions each year and prepare to join the many Schoolcraft graduates who now work in the theatre, television and film industries.
