In this 50th Anniversary issue of The Bell Tower, we reflect on our history. We celebrate the College’s achievements of the past and acknowledge how they have shaped our success today and positioned us for the future.

As we move into our next 50 years, we continue our focus on creating an environment that promotes lifelong learning. We are committed to improving the student experience, being a valuable resource to the broader community, and enhancing academic leadership among community colleges.

As our enrollment continues to grow—with over 36,000 people taking part in a Schoolcraft-sponsored learning experience each year—we remain a center that nurtures and supports our students by helping them to stay in college, experience success and graduate in larger numbers. This comes at a time when the American community college system has been given an unprecedented opportunity to help bring the nation out of economic crisis by providing more people with higher education.

As alumni, you are living testaments to the work we strive to accomplish...transforming lives through the power of education. You are the heart of our past and of our future. It is your drive and determination that defines the College’s past and created the quality and excellence of the institution today, and is precisely what will take the College Ever Upward.

Sincerely,
Conway A. Jeffress, Ph.D., President
Schoolcraft College

I am honored to lead Schoolcraft College as we celebrate our 50th Anniversary. A half century has gone by and the Schoolcraft experience remains the same—transforming lives. In doing so, we have stayed true to our founders’ aspirations.

SCHOOLCRAFT
COLLEGE
Hymn:
All hail to thee,
Oh, Gold and Blue;
We lift our voices
in praise of thee.
Semper Altius Aspice.
May knowledge,

here begin.

The Schoolcraft College Hymn was first performed at the campus dedication service in April 1965. Semper Altius Aspice, meaning “Look Ever Upward,” is the inspiration for the College’s 2011 Annual Fundraising Campaign theme—Ever Upward: A Blueprint for Tomorrow.

ABOUT THE
Schoolcraft College Foundation.
The Schoolcraft College Foundation supports the College’s mission by providing funding for student scholarships, capital improvements and program enhancement grants.

The Foundation has awarded more than $4.5 million in scholarships since it was formed in 1966, and has provided more than $1.2 million in grants to help faculty and staff to develop innovative ways to improve the campus and the learning environment. The Foundation has supported major capital projects, including the new Biomedical Technology Center, the library renovation and the ViTaTech Center.

The Foundation is governed by a Board of Governors with membership from the community, college and alumni. If you would like to know more about the Schoolcraft College Foundation or to make a donation, please call 734-462-4455 or visit the Foundation website at: www.schoolcraft.edu/foundation

EVER UPWARD: A Blueprint for Tomorrow
As Schoolcraft College celebrates its 50th Anniversary, we look Ever Upward to expand our history of excellence in education and our ability to open the door of opportunity for everyone.

In tribute to this milestone, the Schoolcraft College Foundation is extending an invitation to alumni to support the College’s 2011 Annual Fundraising Campaign, themed Ever Upward: A Blueprint for Tomorrow. The campaign will focus on funding priorities determined by careful planning and projections of the College’s future needs. This includes strengthening Schoolcraft’s position for future growth and enhancing our capacity to provide high-quality education. We encourage you to help to shape the future of Schoolcraft College. We will send you details about how to support the campaign in the near future.
A LIFE transformed Essay Project

Was your life transformed by Schoolcraft College? If so, we are giving you an opportunity to share your story and perhaps transform the life of a future Schoolcraft College student...

From its beginning, Schoolcraft College was created with the purpose to transform the lives of those it served. Now, a half-century later, the College has touched literally thousands of lives. We want to celebrate your stories and give one you the opportunity to impact the life of a future student!

Here’s how...we are asking you to share your story, humorous or serious. This is your chance to leave a lasting impact on the lives of others. Your story will be included in an upcoming bell tower magazine.

Then...all essays will be reviewed and one author will be selected. Here’s how...we are asking you to share your story, humorous or serious.

We will publish a sampling of the submitted essays on our alumni website and will display them as part of our 50th Anniversary celebration. From its beginning, Schoolcraft College was created with the purpose to transform the lives of those it served. Now, a half-century later, the College has touched literally thousands of lives.

The Ideas...share your memory about an event or your self. If you have a then and now picture that would be great.

• Tell us why the impact was significant in a brief narrative that is specific and detailed.
• Describe when and where the event happened; who was involved, what took place and how it turned out.
• Be personal; write in your own voice and in the first person.
• Please provide a title to your essay.

• Tell your story in 150-350 words and send in a digital picture of yourself. If you have a then and now picture that would be great!

All essays must be submitted on or before Friday, September 30, 2011.

Please submit essays along with a digital picture of yourself to vrexius@schoolcraft.edu or call 734-462-4501 for more details. When emailing, please include your name and contact information.
