ART & ACTING GARAGE

Spend your morning revving up your imagination and design, weave, sculpt, paint, and assemble all kinds of art in the art body shop. In the afternoon use your art skills to design props and a theatre set used for an informal production that stars you! Have fun doing pantomime, improvisation, story-telling and more. Get the right tools to become an “Art and Acting Mechanic.”

This camp is for those children entering grades 1 or 2.
