BE A BIZ KID—
STARTING A BUSINESS

Because you’re a kid doesn’t mean you don’t have what it takes to run your own business.

Working with a business partner, you’ll choose a business from a list of possibilities. You’ll name your business, design your logo, and learn about stuff like pricing, profit margins, and marketing. On the last day of class you and your partner will show off your product or service to your peers in class.

This camp is for those children entering grades 5 or 6.
