Pinch, coil, roll, and slam and twist your way into making clay-art! Learn studio courtesy and safety, and how to mix and use different types of clay. Explore hand-building and firing methods and find out lots of ways to decorate and glaze your pieces. Enjoy a whole week to plan, make and finish your own ceramic treasures, taking them home on Friday. For safety reasons, artists do not use the potter’s wheel.

This camp is for those children entering grades 5 or 6.
