CRIME SCENE INVESTIGATOR: FRESHMAN-SENIOR

CSI is the application of science to solve crimes. Be immersed in a realistic criminal investigation led by Schoolcraft Science Faculty. Visit the crime scene, learn evidence collection techniques, do blood spatter calculations, pollen analysis, ballistics, electrophoresis and gas chromatography. Have fun working collaboratively with a team and experience what a real CSI is all about.

*Note: this camp ends at 4 pm.

This camp is for those children entering grades 9, 10, 11 or 12.

CES 8475 / Sec. 939294
