

SCHOOLCRAFT COLLEGE MOTORCYCLE SAFETY COURSE SCHEDULE - 2019

Classes Only \$50
(non-refundable, non-transferable)

Basic RiderCourse (BRCu) - Web Enhanced

Requirements: must have a valid email address on file with the College. Must complete the online eCourse prior to your class start date and bring the completion certificate to the first class session. Link to the eCourse will be distributed by the College via email at least 1 week prior to the start date of your class. If you have not received an email by this time, you must contact the CEPD office at (734) 462-4448.

This course is designed for those who have little to no experience operating a motorcycle and would like to obtain their cycle endorsement. This class consists of approximately 18 hours of instruction – 3 hours of online preparation to be completed prior to your class start date, 5 hours of classroom instruction, and 10 hours of hands-on training. This course focuses on the development of basic riding skills: clutch and throttle coordination, straight-line riding, braking, turning, and shifting. Successful completion allows a student to waive the written & riding skills tests at the Secretary of State. This course is offered in three different formats: weekend, weekday, and weeknight.

Prerequisite: ability to ride a bicycle.

Basic RiderCourse (BRCu) - Web Enhanced – Weekend

The most physically demanding of all BRCu options! Friday 6pm-10pm, Saturday 8am-8pm, and Sunday 8pm-8pm. Students need to be available during the 12 hour period on Saturday and Sunday, but are not expected to be on site the entire time. Specific schedules will be assigned the first night of class.

Online eCourse is required to be completed prior to your first class session. See BRC eCourse information below.

Basic RiderCourse 2 (BRC2u) - For Experienced Riders – One Day

Meets from 8am-6pm. This one-day course is designed for experienced, but unendorsed, riders who would like to obtain their cycle endorsement. Alternatively, this course is perfect for endorsed riders who wish to refresh and improve their skills. This course is NOT designed for beginner riders. Students must demonstrate competency with basic operational skills and pass the Level 1 written test during the screening exercises in order to continue in the course. If it's determined that the rider needs additional skill development before proceeding, he or she will be referred to the Basic RiderCourse (no refunds; no transfers). Topics include: speed control, braking & stopping, counter steering, cornering, hazard avoidance and other techniques necessary for the experienced rider to operate a motorcycle skillfully and safely. Each student must provide their own motorcycle and riding gear. Sharing is not allowed. Scooters are allowed in this course. The cycle must be properly titled and registered in addition to displaying a valid license plate. Each student must provide proof of insurance and the cycle must pass a safety inspection. Successful completion allows a student to waive the written & riding skills tests at the Secretary of State.

Prerequisite: ability to ride a bicycle.

Advanced RiderCourse (ARCu) – One Day / Weeknight

One-day classes meet from 9am-6pm with a break for lunch. Weeknight (WN) classes meet from 5pm-10pm, each day. This course is designed for licensed, experienced riders to enhance their basic skills and help with personal risk assessment. You must already have a cycle endorsement to enroll in this course. Interactive classroom activities to improve perception and hazard awareness are combined with range exercises that enhance both basic skills and crash-avoidance skills. You will also learn how to improve braking and cornering finesse. This course is the public version of the Military Sport Bike RiderCourse. Each student must provide his or her own motorcycle. Sharing is not allowed. The cycle must be properly titled and registered in addition to displaying a valid license plate. Each student must provide proof of insurance and the cycle must pass a safety inspection.

Prerequisite: motorcycle endorsement.
