CARES Distribution Starts Friday, May 8

Schoolcraft College has received funding from the CARES (Coronavirus Aid, Relief and Economic Security) Act, which will be distributed to students who are Title IV eligible and have completed the FAFSA – Free Application for Federal Student Aid. Your distribution will come via direct deposit (if you’ve signed up) or a physical check mailed to the address we have on file.

Your CARES funding will be deposited to your account and/or mailed out to you on Friday, May 8, 2020.

The amount of CARES funding you will receive is based on your Title IV eligibility and enrollment status during the Winter 2020 term:

- If you were a **full-time student** (12 or more credit-hours), you will receive **$800**
- If you took **9-11 credit-hours**, you will receive **$650**
- If you took **6-8 credit-hours**, you will receive **$450**
- If you took **5 credit-hours or less**, you will receive **$250**

Again, the full amount of these funds will be disbursed directly to you to assist with the disruption of your winter semester courses due to COVID-19. We hope that these funds can help ease your financial burden as you plan your classes for the Fall 2020 term.

To receive your refund in the shortest amount of time, we urge you to sign up for direct deposit. Follow this link to [WebAdvisor](http://WebAdvisor) to sign up get started.
